---

Step 1 - Get in touch with one of our laptop service advisors inform them the symptoms of the fault.

Step 2 – Based on the information provided by you, we will assess the nature of the fault and accordingly provide you a ballpark

figure for the cost of hardware component replacement and labour to undertake the repair or upgrade process.

Step 3 – Once we inform you about the estimated cost for your repair or upgrade service, it's up to you to make a decision if you

wish to take the process to the next phase.

Step 4 – Clients can bring the defective laptop into our repair centre or we can arrange to collect your faulty Toshiba laptop

computer and have it brought to our Mumbai laptop service centre, for an affordable charge.

Step 5 – Once we take delivery of your notebook at our service centre, we will proceed with the essential repair, upgrade or

replacement service and consequently inform you the final charge for the job performed.
